FEE

FREE PRESCRIPTIONS

We would like to make access to healthcare affordable for all New Zealanders by removing the \$5 standard subsidised prescription charge. Children under the age of 14 and those that are eligible for a Prescription Subsidy are already exempt from the standard \$5 prescription charge. If your medicine is not fully subsidised there may be an additional cost.

WOMEN'S HEALTH CONSULTATIONS

Your Chemist Warehouse Pharmacist is a trained healthcare professional and can discuss a range of men's and women's health conditions with you in our private consultation suites. Your Chemist Warehouse Pharmacist will conduct a thorough medical history, identify risk-factors, and where suitable offer treatment options without the need for a prescription.
